RE: North English Wind Project, LLC's Application for a Commercial Wind Energy Conversation System Conditional Use Permit for the North English Wind Project in Poweshiek County, Iowa

Dear Mr. Griffith:

Pursuant to Article XX, Section 5 of the Poweshiek County Zoning Ordinance, as amended in March 2017, North English Wind Project, LLC (North English), respectfully submits this application for a Commercial Wind Energy Conversion System Conditional Use Permit for the North English Wind Project (Application), to be located in Poweshiek County, Iowa.

In accordance with Article XX Section 2 of the Poweshiek County Zoning Ordinance, as amended in March 2017, and the Poweshiek County Board of Supervisors Resolution #2932, enclosed is a check in the amount of \$350.00 for the filing fee required for a Board of Adjustment Request. Also enclosed is the original and 9 copies of the Application per your request. As discussed an electronic copy of the Application is also provided.

The Application includes a request for permanent North English project facilities including, but not limited to:

- Vestas V110-2.0 wind turbines, that combined may generate up to 340MW of electricity at rated capacity;
- Up to 170 final wind turbines selected from 182 potential locations;
- A Project Substation that will interconnect to the existing Montezuma 345kV Substation currently in operation in the Project Area;
- Underground electrical and communication lines, access roads, transformers; and associated project facilities.
- The Project Area is located within Deep River, Jackson, Lincoln, Malcom, Pleasant, Scott, and Union Townships, Poweshiek County, Iowa.

If you have any questions, please let me know.
