Board reviewed for approval/disapproval family farm tax credit applications for the 2021/2022 tax year. Moved by Dawley, 2nd by Doty to authorize Jason Roudabush, Chairman to sign approval of family farm credit applications. 3 ayes. Motion carried.

8:45 a.m. David Maahs, Greater Des Moines Partnership met with board. Ken Demlow, HR Green joined via teleconference. Greater Des Moines Partnership wants to conduct a regional broadband study to get an assessment of the broadband infrastructure in their ten-county region and to develop action plans for communities and counties. They are asking the ten counties to pay on a per capita basis a portion of the cost for the study. The portion for Poweshiek County would be \$5,080. Dawley stated the board would discuss and get back to Maahs within the next two weeks.

9:35 a.m. Rusty Massengale, E911 met with the board to discuss the 911 road/street signs. Initially E911 took on installing street signs as they had grant funds available. E911 would like the county road department to take over the maintenance of the signs so E911 can utilize their budget for the emergency radio system. Massengale stated the county attorney responded that this would be an issue for the Board of Supervisors and feels sign maintenance would fall under the duties of the engineer. Dawley would like to discuss this with the engineer. Board will get in touch with the engineer and discuss road sign maintenance and get back in touch with Massengale.

10:20 a.m. Moved by Dawley, 2nd by Doty to adjourn. 3 ayes. Motion carried.

Board discussed the conferencing system presented to be installed in the courtroom paid with CARES Act funds received by Judicial Branch. Board placed a call to Heidi Baker, 8th Judicial District Court Administrator to obtain further information on the system. Baker stated she could arrange for someone to review our courtroom and explain how the system will be set up. Board will table signing off on the system until the review of the courtroom.
