

UTILITY II LABORER

The Poweshiek County Secondary Road Department is accepting applications for the job of Utility II. The duties may include: Maintaining and repairing bridges, large pipe culverts and box culverts within the County, operating heavy and specialized equipment used in the repair, replacement and construction of bridges, and performing related duties as assigned. Starting wage will be \$24.41 per hour. After a successful six (6) month trial period the hourly rate will increase to \$25.14 per union contract.

Prospective employees must possess and maintain a valid Class A Commercial Driver's License with an air brake endorsement or obtain within ninety (90) days of employment. Other endorsements may also be required.

After accepting an offer of employment, applicants may be required to have a physical examination verifying the physical ability to perform the duties described. In conjunction with Title 49 of the Code of Federal Regulations (parts 391 & 40), this job requires a pre-employment drug screen and will require ongoing participation in the employer's drug testing program. Graduation from high school or GED and experience in bridge construction and repair work, road construction or maintenance work or the operation of certain types of equipment are required.

A complete job description is available upon request. Application must be returned to the Poweshiek County Engineer's Office before 12:00 Noon Monday, August 15, 2022. Poweshiek County is an Equal Opportunity Employer. Applications are available on line at <https://poweshiekcounty.org>, Employment, and print Poweshiek County Secondary Roads application.
